*While 96 dpi may look good on the screen, the features are not clear when printed—the artist works from a printed copy.*

Please briefly describe how you wish to have the subject(s) depicted, or you may leave this to the tasteful discretion of the Caricature Artist. If you would like for the Artist to decide, please indicate if the subject has any hobbies, favorite sports, etc.).

The most the artist can accommodate is 7 subjects (size 18x24). Depending on the scenario, 1-4 subjects can be accommodated on size 16x20.

If you are interested in a logo for your business, we will be happy to provide that as well. Packages start at \$500 and include high resolution image, copyright transfer, etc.
